Dear Ms Bond

Plots 2,3 & 4 , The Bowling Green, West Raynham, Fakenham, Norfolk, NR21 7HD**

The above application has been received, details of which can be viewed on the Council website.

Go to the Council home page at <http://www.northnorfolk.org/>

Under Top Tasks, click '**View and comment on a planning applications**' and then click the box '**Go to application search**' which should bring up IDOX Public Access.

Type the **reference or part of the reference** into the box where it asks you to enter a keyword, reference number, postcode or single line of an address, and hit the 'Enter' key or click the '**Search**' box.

I should be pleased to receive any observation which your Council may have as soon as possible and in any case by 19/11/2018.

It would be helpful if you would indicate whether your Council

(1) supports the application;  
or (2) has no objection or comment;  
or (3) objects to the application;

giving reasons where appropriate.

Yours sincerely
